**Save the Date! More information and student application instructions to follow!**

**Call for Cadet Staff and Officers to serve as staff for the school!**

To prepare for hosting the BCS/ATS, we will hold a staff training day, tentatively scheduled for Saturday, 20 Mar 2010 at Squadron 19's Headquarters at Beale AFB. This day will be dedicated to meeting and getting to know all cadet and officers interested in serving as staff for the schools, selecting the cadet and officer staff assignments and preparing to run both schools with excellence.

If you are interested please email resume and [CAWG Form 150](#) to Capt. Stephen Oppenheim at [oppenheim@clearwire.net](mailto:oppenheim@clearwire.net)

Cadets over 18 and Officers will need to include California Driver's License Number in the Comments section on the CAWG Form 150 so that access to Beale AFB can be coordinated with Security Forces.

**DEADLINE: Staff applications must submitted by 26 Feb 2010.**

**More information and student application instructions to follow!**
